

21<sup>st</sup> July, 2021.

Dear Member,

This is an invitation to you to become a Patron of our Society. You have been a Life Member and thus shown your lifelong interest in Obstetrics & Gynecology. You are today a well established Professional and with your vast experience are able to give patronage to the Society and help it to develop further.

Most of us became Life Members a long time ago with a modest sum the interest on which is not adequate to cover all expenses. Our Society has grown and enlarged the sphere of activities. Funds are required to keep the Society going.

By becoming a Patron, you will be helping the Society to fulfill the requirements of its members.

At this year's Annual Conference, we would like to felicitate all Patrons by presenting a special Broach which can be worn at all our functions. A special list of all Patrons will also be printed; also a Board giving the names of all Patrons will be put in our office.

To enable us to go ahead without plans we urge you to return the enclosed papers together with your cheque for Rs.25,000/- only. We will then provide 80(G) exemption certificate.

As per the constitution of MOGS, we will be refunding your Life Membership fee once you become a Patron.

Thanking you,

Yours sincerely,

Dr. Sarita Bhalerao  
President

Dr. Suvarna Khadilkar
