MOGS Vision & Mission

The Mumbai Obstetric and Gynecological Society has recently adopted a dedicated Vision and Mission statement. These are formatted to reflect the philosophy and objectives espoused in the MOGS Constitution.

MOGS Vision Statement

The Mumbai Obstetric and Gynecological Society aspires to be the primary representative and voice of all practitioners of Obstetrics and Gynecology in Mumbai, an ardent advocate and supporter of women's rights and health issues and the favored partner for the government and other stakeholders involved in the field of women's health.

MOGS Mission Statement

The Mumbai Obstetric and Gynecological Society exists to protect the interest and promote the welfare of practitioners of Obstetrics and Gynecology in Mumbai.

- To encourage participation by members and fellowship amongst member practitioners.
- To work to organize the dissemination of knowledge and undertaking of research in obstetrics, gynecology and allied specialties.
- To supplement the academic and educational endeavors of students of obstetrics and gynecology.
- To strive to promote care and the betterment of services related to the health of women and children.
- To serve to advocate the health issues of women and reproductive and sexual health and rights for all.
- To partner FOGSI, professional organizations, government, NGOs and industry to achieve this mission.
- To be a democratic, forward looking, ethical and financially secure society that its members are proud of.

Adopted by the General Body of MOGS in Mumbai on September 25, 2011.

Dear Colleagues and Friends,

'Every generation has an opportunity to be great. We cannot pass this on. If we don't accept the challenges of today, we have passed up the opportunity to be great. Because this is our challenge' – Gerald Allan

Each MOGS year adds yet another level and another facet to our historic society. It is the responsibility of the President and the Managing Council to not just sustain the MOGS past but to strengthen and chart the MOGS future. Our philosophy this year was **Reaching Out** – to members and students, FOGSI and partners, to women, young people and the community.

On behalf of the Managing Council it gives us great pleasure to present you this year's Annual Report, specially formatted to be part of MOGS archives and listed here are some of the year's highlights and introductions –

Accountability – Collective planning for Blueprint 2011-12; Quarterly From the Office Bearers' Desk report; Midyear General Body meeting with to report and review and Year end Managing Council Review meeting to document successes and challenges.

Conferences and Outreach Programmes – Standardized programmes and brochures; Geographically dispersed 9 focused conferences, 20 outreach meetings and 7 PG programmes; Evidence based reviews and journal scans; One time registration by 110 members and Video Documentation.

Felicitation and Celebration – Felicitation of 10 MOGS Icons, 7 Medical College Departments of Obstetrics and Gynecology and 3 Youth inspirers; Dedication of the Annual Conference and conference hall to a galaxy of Past Presidents.

Fellowship and Membership – HPV vaccine and Bone and Breast Health initiatives; Talent Showcase and conference banquet; Planner; Membership Cards; Patron pins; Car stickers with Jute folders and Abridged accounts as a green commitment.

Community Engagement and Service – FM Radio 8 programs in Marathi; Talks to focus groups; Public fora on adolescence and cancer prevention; Awareness programs for family physicians and Diagnostic camps.

Governance – Media, Membership, Academic, Medicolegal and PNDT cells; Postal ballot with standardized CVs introduced, MOGS Youth Council established to groom the future.

Institution – Computerization of accounts; Library computer and Gift a Book initiative; Broadband connection and Office renovation.

Partnerships – Year long equal, transparent and partnership with 8 MOGS Corporate Partners supporting scientific, academic and social service activities; Partnership with FIGO, AOFOG and 14 FOGSI committees; Heads of Department's Round Table.

The Managing Council had a great time bringing you this MOGS year. We thank you for belonging to MOGS and request your continued involvement and support.

MOGS Youth Council

Succession planning is always considered one of the most important duties of any board. In a move to identify and prepare young MOGS members for a future leadership role the MOGS Managing Council decided to set up a permanent MOGS Youth Council. It was decided that the MOGS Youth Council will comprise of 16 young MOGS Members, less than 40 years with postgraduate qualification who will serve terms concurrent with one term of the Managing Council. The Youth Council would be selected from invited applications based upon academic credentials and participation and involvement in MOGS activities. A selection committee would recommend suitable candidates to the Managing Council for final selection.

The Youth Council is to coordinate with and support the Managing Council in organizing MOGS activities, have periodic meetings under Managing Council supervision and its members will be invited to participate in the meetings of the Managing Council by rotation with 3 Mentors appointed by the Managing Council supervising the MOGS Youth Council.

Our MOGS Youth Council with 16 young MOGS members and Dr. Kedar Ganla, Dr. Ameya Purandare and Dr. Parikshit Tank as mentors has proved to be a stellar asset. The first meeting of the Youth Council was on August 3, 2011 and members made commitments to specific areas of MOGS activities. Every conference had evidence based reviews and every outreach programme had a journal scan presented by its members. The Youth Council subsequently met on November 7 and December 29, 2011 and January 21 and February 11, 2012. Youth Council members have since attended Managing Council meetings as invitees where besides being introduced to MOGS governance, they brought the council their own fresh insight.

The MOGS year 2011-2012 was marked by excellent teamwork amongst members of the Managing Council. MOGS has been awarded the Best Society Award of AMOGS for the year 2011-2012. The year continued with the important annual academic events of the society while also experimenting with and introducing a number of changes and innovations as outlined in the report below. The Annual Report enlists the activities conducted during 2011-2012. Activities have been classified as academic, teaching, outreach services (for members and public) and tables have been included for a broad overview.
