

**UNSTOPPABLE
HER**
REDEFINING GUT HEALTH

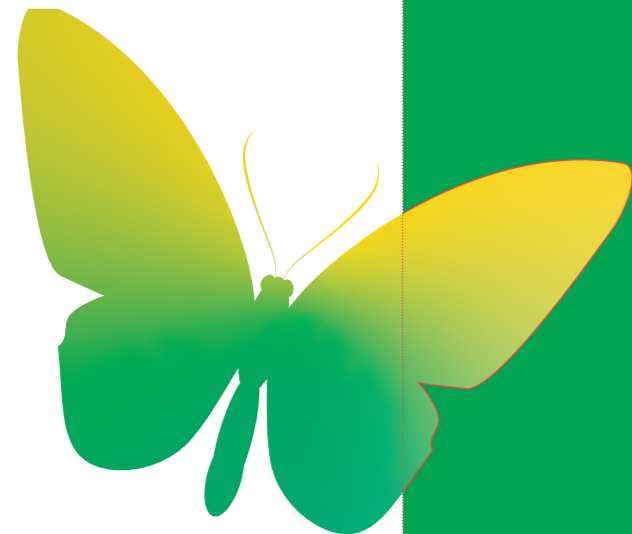

FOGSI, MOGS & Abbott India would like to invite you for the launch of the FOGSI Focus on Constipation in women.

FOGSI Focus is a scientific publication aimed to disseminate knowledge and improve the health of women in our country thereby contributing to the wellbeing of Indian Women.

With the launch of the FOGSI Focus on Constipation in Women we are trying to prompt a discussion on Constipation, which is often overlooked but significantly affects many women.

Looking forward for your valuable presence for the meeting.
